WORK AT THE HOTTEST PLACE IN TOWN!

We are currently accepting applications for full-time, experienced line cooks, servers and bartenders for our Manchester and Epping locations.

If you are dedicated, professional, and a team player who enjoys working closely with the

public and take pride in their work, we want to hear from you!

We offer comprehensive training, competitive wages, an employee discount and one week paid vacation after one year of full-time employment. [Click here to learn more!](#)

PRO TIP FROM PRISCILLA

You may have noticed the flurry of activity from some of your favorite local businesses as we vie for coveted awards statewide and nationally. It's award season for restaurants just like in the entertainment industry! We hope you will consider us for the hospitality version of the Oscars and use the links above to let your voice be heard.

There is a new contest in town, *The Taste of Groupon Awards*. This contest not only rewards the business but the people who make the restaurants so amazing. I am proud of the staff I have built in both of our locations and hope that you will take a moment to nominate your favorite 900 Degrees employee. [Click here to fill out this super quick, super awesome, 7 question survey](#) to nominate someone for the Taste of Groupon Awards.

March: The Funky, Muddy, Rut of a Month

In New England, March is a strange middle-of-nowhere kind of month. It's hard to find good snow for skiing, it's too muddy for hiking, the weather is unpredictable, it's in between February and April school vacation weeks, and let's not forget that pesky time change coming up on March 13th.

Get out of that March rut! Get out and try something new! We have some incredible dishes on our new menu and of course recent wine additions from my sabbatical to Italy. We have just what you need to make March memorable. I look forward to seeing you soon!
