Aaaaaahhhhhh, sweet summertime!

How can you not love summer in New England. The weather is warm, the sunshine is never-ending and everyone is in a great mood. July is a perfect month to head to the beautiful New Hampshire beaches and spend the day with your toes in the sand.

Remember to stop by either of our locations for the perfect *beach pizza*. Either grab some pies and appetizers to take out with you to the beach or stop by on your way home and skip your turn in the hot kitchen. Everybody loves pizza and 900 Degrees has the best pizza around!

We promise to keep the air conditioning on and the drinks cold to round off your perfect summer day.
