PRO TIP FROM PRISCILLA

Hard to believe we are about to turn the calendar page to August. This summer has been the quintessential New England summer - beautiful, sunny, hot days followed by slightly cooler nights and a few thunderstorms here and there. Overall, a perfect last few months!

As we round the corner into the last of the summer days, we have been busy here at 900 Degrees. Not only have we introduced our newest promotion, Pizza & Vino, but we've been looking hard for the newest additions to our team. If you are a responsible team player with experience, [please click here to submit our online employment form](#). We are searching for the best of the best and look forward to meeting you! If you know someone who would be an excellent addition to our professional team, please forward them this email for consideration. I truly believe that the best advice comes from word of mouth, which why 900 Degrees has been so successful - our customers love to share their great experiences at our locations!

Be sure to check out our packed schedule of Raising Doughs and promotions above, and of course, we have our weeknight promotions every Monday through Thursday. Take a break from that hot kitchen and come relax on our deck or bask in our air conditioning. On behalf of everyone on my team, we look forward to seeing you soon.
