PRO TIP FROM PRISCILLA

Despite the inherent crazy pace of the holiday season, these final two months of the year offer so much magic, so many opportunities to connect with family and friends, and so many wonderful memories which truly warm the soul. Take some time out from all the cooking and cleaning and treat yourself to dinner out at 900 Degrees so you can relish in these blessed holiday experiences.

As a mother and grandmother, I look forward to this time of year. From the warm-hearted Thanksgiving holiday and the mystique of Santa Claus to the overall generosity of the holiday spirit, November and December are a wonderful time of year for humanity. Although I am constantly reminded all year of how fantastic they are, this time of year is a great time to express my gratitude for my incredible staff. They work so hard every day to make sure your every visit, every taste and every experience is one of excellence.

I would also like to take this opportunity to thank each of you for reading our enews, following us on our social media channels and continuing to be our biggest fans by visiting our Epping and Manchester locations. Without you, we could not be expanding to the

seacoast and bringing our wood-fired pizza, authentic pastas, gourmet salads and even our green initiatives to a third location in Portsmouth.

The 900 Degrees family are blessed, thankful and grateful for your continued support. From all of us to all of you, have a very Happy Thanksgiving!
