PRO TIP FROM PRISCILLA

As you can tell, we are gearing up for the opening of the Portsmouth location and couldn't be more excited to bring 900 Degrees to the seacoast.

Between now and then, we hope you will join us for brunch at the Epping location. Our ever-evolving menu continues to offer fresh selections for your culinary enjoyment. Spring is a wonderful time to linger a little longer on Sunday with family and friends.

Because we value enjoying special time with loved ones, both of our locations in Manchester and Epping will be closed on Easter Sunday so that our employees can spend this time with their families and friends.

Of course, Mother's Day is coming up soon as well so be sure to pick up a gift card to show mom, grandma or other special lady how much you appreciate her! [Click here to purchase your gift card quickly, easily and securely online through our website.](#)

Thank you for keeping 900 Degrees on your short list of locally-owned restaurants to visit. We are honored to be a part of your every day celebrations.
