Dear Priscilla,

Aaaaah summertime. Schools are out, regular season sports have wrapped up, and everything shifts into a slightly slower speed. More flip flops and sunglasses, lots of fresh air and giggles. All the things we love most! We have some fun summer plans for July so skip the hot kitchen and all that exhausting prep and enjoy your family and friends at one of our convenient locations. We have pizza, pasta, salads, cocktails and more - a great variety for anything your taste buds are craving!

Taking the Seacoast by Storm!

We are so excited that our 900 Degrees Portsmouth location has been nominated for the Best of Seacoast contest for not one, not two but THREE categories:

- Best Business Lunch
- Best Chicken Wings
- Best Pizza Place

You can vote once each day and if you vote in 25+ categories, you will be entered to win \$500! That is a win-win!

PRO TIP FROM PRISCILLA

Now that the excitement of spring has passed by, I am so ready to settle into the slower hum of summer. There is truly nothing more satisfying on a sunny afternoon or warm evening than to sit on our deck in Manchester or our patio in Portsmouth with an ice cold beer or glass of our signature sangria.

Thank you for nominating our newest location for the Best of Seacoast 2018. I am honored by the dedication and passion our customers have for our restaurants. We appreciate every visit, every order and every smile. Thank you.
