PRO TIP FROM PRISCILLA

It is hard to believe just how quickly summer flies by. To capture just one of these fleeting summer nights, we are hosting a HOT patio party at our newest Portsmouth location on Friday, August 17th. We will have live music from Soulation Station and tons of great giveaways. It will be a summer night to remember!

As summer winds up, so does the award season in New Hampshire. I

wanted to personally thank each of you for your relentless support of our restaurants for so many of our local acknowledgements. We are thrilled that we came out as the favorite in so many again this year! Our latest win was to take home the GOLD in the Union Leader's Reader's Choice 2018 - [click here to see all the winners!](#)

We were recently notified of our nomination for a national award by Winnie, a family-focused online platform designed for parents. If you are looking for high-quality recommendations, we invite you to visit them online at winnie.com. [You can also click here to vote for 900 Degrees for the Fun With Food category](#) - we love our kids and families at each of our three locations!

I hope to see you on the Portsmouth patio in less than two weeks. We are really looking forward to hosting all of our favorite people for the hottest party of the summer. Until then, pop in for lunch or dinner - escape the heat and let us do the cooking for you and yours. There are only a few more weeks to enjoy summer ...
